SELECTMEN'S MEETING MINUTES - MAY 16, 2011

Opening of Sealed Bids on Tax Acquired Property, Public Hearing on TIF Amendments

Selectmen Present: Doug Archer, Wayne Rundlett, Andrea Reichert; Present: Stacie Rundlett, Brian Rundlett, Kip Poulin, Becky Taylor, Bertrand Dyer, Alyce Dyer, Alfred Bolduc, Marilyn Gorman, Mrs. Wulf, Jamie Eck

Meeting was called to order at 6:15 pm.

Chairman Douglas Archer opened and read all sealed bids. First bid was from David Reed for Map 12 Lot 33 in the amount of \$4,100. Second bid was from Chris Williams and Sherry Callahan for Map 12 Lot 33 in the amount of \$3,500. The third bid was from Ryan Delaney for Map 11 Lot 5 in the amount of \$4,200. The fourth bid was from Diane and Randall Emery, Jr. for Map 12 Lot 33 in the amount of \$2,579.99. All bids met the requirements for the bidding process. There was a discussion regarding the 3 bids for Map 12 Lot 33. Doug motioned to accept David Reed's bid of \$4,100 for Map 12 Lot 33. Andrea seconded and all were in favor. Andrea motioned to accept Ryan Delaney's bid of \$4,200 for Map 11 Lot 5. Doug seconded and all were in favor.

Andrea motioned to accept minutes from May 5, 2011 Selectmen's Meeting as written. Doug seconded and all were in favor.

Payroll Warrant #17 (\$940.87) was reviewed and signed.

The Board of Selectmen took a few moments to pass out information regarding the proposed amendments to the

Tax Increment Financing Agreement (TIF) Development Program. The amendments are additional potential public improvement projects on which the TIF revenues can be spent. These projects were updated since the current Development Program only has four projects that were passed at the 2003 annual Town Meeting. There was a brief discussion.

Stacie updated the Board of Selectmen about the sale of the generator that was donated to the town from Somerset County. Larry Post from Somerset County emailed Stacie to notify her that the town was authorized to sell the generator if they so choose. There was a discussion about the worth of the generator and minimum amounts to accept once it went out to bid. It was suggested for Stacie to contact a company out of Scarborough, Maine that has inspected this machine before and ask them for a ballpark figure of what it might be worth. There was a discussion about getting this information to the Board members by email so that Stacie could finish an ad that needs to go into the June *New Portlander*. All Board members were in agreement to do this.

There was a discussion about the fence issue on the Middle Road that Gary had discussed with the Board at the May 3 meeting. Stacie had contacted the person who installed the fence and it was taken down on May 4.

Stacie asked the Board members how to proceed with the application and interviewing process for the Assessor's Agent position. Andrea discussed with everyone if they would be able to review the applicants individually and then email the top choices to Stacie to compare their choices. All members were in agreement to do this. They set a deadline of May 19 to get that information to Stacie. Then they would figure out schedules to set up interviews for the position. There was a brief discussion of time options to set up interviews.

Andrea discussed a question from the Planning Board on how the Selectmen wished the Planning Board to proceed with a Wind Tower Ordinance. Doug asked how the residents in attendance felt about such an ordinance. Bert Dyer felt the town did need an ordinance. Brian Rundlett, Planning Board member, shared with everyone some information the Planning Board learned about Wind Tower Ordinances at their last meeting. Andrea motioned to authorize or ask the Planning Board to work on a Wind Tower Ordinance for the Town of New Portland. Doug seconded and all were in favor.

Andrea spoke to the other Board members about the communication between the Kingfield Administrative Assistant and Stacie. All board members were in agreement that faxes from the Kingfield office were not considered collaborating with Stacie to cover administrative duties of the Transfer Station. Stacie stated that she has called the Kingfield office to speak directly to Doug Marble a few times

without success. The Selectmen were all in agreement to discuss this issue in more detail at the next Transfer Station Meeting.

Andrea motioned to adjourn the meeting, Doug seconded and all were in favor.

Meeting adjourned at 7:00 pm.

These minutes are just a summary from the meeting and were approved at the June 7, Selectmen's Meeting as written.

SELECTMEN'S MEETING MINUTES - JUNE 7, 2011

Selectmen Present: Andrea Reichert, Wayne Rundlett; Present: Brian Rundlett, Kip Poulin, Gary Agren, Dwayne Ricker, Ed Boyer, Stacie Rundlett, Kay Rand

Andrea called the meeting to order at 6:33 pm. The Selectmen reviewed the minutes from May 23 meeting. Andrea motioned to accept minutes as written; Wayne seconded and all were in favor.

Kay Rand, a consultant for Central Maine Power, presented to the Board information regarding smart meters that will be installed in the New Portland area later this fall. She provided information packets for all present. She reviewed all the information with everyone and answered a few questions.

Kip briefed the selectmen about the pump tests that have been done on the fire trucks recently. Stacie shared with the board and Kip a brief discussion she had with one of the insurance agents regarding claims submitted in the past. Kip reviewed with the board the fire truck that is for sale that would meet the departments' needs. He also reviewed the additional costs for airfare to get to Florida, which is where the truck is located. There was a brief discussion about the truck. Andrea motioned to authorize Kip to negotiate the purchase of the fire truck in Florida, not to exceed \$40,000.00 without coming back to the board. Funds to come from the sale of the 1988 White Mack, the Fire Truck Replacement account and the Tax Increment Financing (TIF) account. The additional costs to go to Florida if the sale goes through will need to come back before the board before they will authorize the expenditures for that.

Gary reviewed with the board costs of culverts that need to be replaced. He reviewed with the board that he is waiting to hear back from Broad Cove Associates on the costs of the slip line that he needs for Middle Road project. He reviewed the roads that have been graded. Dwayne Ricker asked about the length of time it takes for grading work. Gary explained several reasons why it takes a longer time than most people expect to do road grading. There was a brief discussion about the subject. Gary discussed with

the board that he is considering having the aprons of some roads paved this year.

There was a brief discussion about the old fire station in the West Village and the windows that needed to be fixed.

Stacie presented to the board the payroll warrant and accounts payable warrant for them to review and sign. She also discussed with the Board that she would like to move forward with the Board's decision to make changes to the website.

Andrea asked if it would be put on the agenda for the July meeting listing that the funds will be spent for this from the Tax Increment Financing (TIF) account. She still supports the previous decision to go ahead with the changes but wanted it made aware to the public where the funds to do so would be coming from.

Andrea pointed out a road sign that was missing.

Stacie shared with the board the list of items that she will be sharing with Doug Marble from Kingfield to help with the administrative duties for the Transfer Station. She also shared with the board that she would be having an additional meeting with Doug Marble and Peter Gardner to address three more issues at the Transfer Station.

Andrea asked to have time sheets attached to the payroll warrants in the future.

The board reviewed with Stacie a recent decision made by the Somerset County Commissioners dealing with an abatement denial the Town of New Portland's Appeals Board had made with a property owned by Ronald Pinkham. The County Commissioner's requested that the Town of New Portland reduce the valuation of the old Central School property that is now owned by Mr. Pinkham. From all the information that was provided to Stacie because there was an Appeals Board the County Commissioner's had no authority to make a decision regarding this matter. There was a brief discussion regarding the valuation of the property. Andrea motioned that Stacie write a letter in reply to the County Commissioner's request informing them that they did not have the authority to act on this matter because the Town of New Portland did have an Appeals Board that did meet twice regarding Mr. Pinkham's abatement request. Andrea stated that to her knowledge the next step would be for Mr. Pinkham to take the town to court regarding the matter, not request that the County Commissioner's to act on the matter. There was a brief discussion on this matter and the condition of the building in question.

Stacie reviewed with the board the times of scheduled interviews to be conducted on Thursday, June 9.

There was a brief discussion about Transfer Station expenses and options for the town of New Portland.

Wayne motioned to adjourn the meeting; Andrea seconded and the meeting was adjourned at 8:00 pm.

These minutes are just a summary from the meeting and were approved at the June 20th, Selectmen's Meeting as written.

SELECTMEN'S MEETING AGENDA - JULY 5, 2011, 6:30 PM

Thanks to everyone who supported the library "Plant, Book and Bake Sale" last month. We had such wonderful donations of great things to sell that we had plenty to offer all the hardy souls that came out for the day! Hooray for Karen Pease and her family for offering and assembling the large awning that helped shelter and expand the fund raiser activities. Many thanks to Jim Taylor of Lexington TWP for generously making sturdy signboards to advertise our events roadside. Thank you to Atwood Nursery for always helping us out. We appreciate the vendors and speakers who shared their talents and a percentage of their profits, and three cheers for the hard working volunteers who made the day possible. Most of all, we thank all the folks who showed up to take part and confirm the library is a valuable part of this community.

The Annual Ice Cream Social is scheduled for July 13 from 5:30 - 7:00 pm at the Community Room across from the library on River Road. Ice cream with toppings and homemade strawberry shortcake are the featured attractions. The library will be open. Used books will be for sale. Raffle donations will be displayed that night, and ticket sales will begin. We'll sell tickets for a month, then draw at the second ice cream social planned in July. That's right. You can scream for ice cream twice this summer at the Library Ice Cream Socials!

The Spring Art Show, which brought so much color and vibrancy during those last shorter days in April will be coming down to be replaced with . . . the OFFSPRING Show! Seven family units will be showing their work throughout the summer, with a reception for the artists to be announced soon.

The Knitwits meet at the library the second and fourth Thursday of each month at 10:00 – 11:30 am. Bring your knitting, your knotting, your quilting, your quilling, your mending that's pending and join us!

The Book Club is taking a little summer vacation but we'll announce our upcoming selections soon.

Stay tuned for details about a Children's Summer Reading Program with Shelby and a writer's workshop group forming. Signs at the post office and library, the New Portland Community Group on Facebook, the *New Portlander*, messages on the 628-6561 library phone, and seasonal activity fliers are all good ways to keep up with the new things the library is offering!

New Portland Community Churches

Summer Services started at the North New Portland Church on June 12 and will be held there until early fall. Services are Sundays at 11:00 am. We welcome Reverend Robert Goodin to the pulpit. Please join us.

PLEASE NOTE: Posters and advertising for the North New Portland Community Church Celtic Concert series were in error. **There will be NO concert on July 5.**

North New Portland Community Church Celtic concert series had a successful start on June 6 with Irish flutist and singer Nuala Kennedy. Ms. Kennedy delivered a mix of traditional and eclectic Celtic music that was perfectly accompanied by Cape Breton, fiddler Andrea Beaton, and Maine guitarist Owen Marshall. The evening was a real treat for concert-goers, and we hope you will consider joining the fun for the next two concerts:

TUESDAY, JULY 19, 7:00 PM

Singer/songwriter Ian Sherwood and friends

SUNDAY, AUGUST 14, 7:00 PM

Ashlin, a five piece family band from Newfoundland

ADMISSION:

Adults - \$8.00

Children under 12 - \$5

Family - \$20

Concerts are held in the lovely North New Portland Community Church on Hancock Pond Road in North New Portland.

Announcement

New Portland has a new store!

Friday, June 3, we opened our doors for business with our community. We did not publish an opening date, so as to ease into day to day operations, this being to price merchandise, set displays, and establish daily routines. Plus we had missed our initial advertised opening date by four months. While there was no doubt the amount of time and material required would be costly, I believe, we were overly optimistic. Which is not a bad thing, since that same optimism led to increase our determination to get the doors open. With a good amount of paint, caulking, wood, electrical wire, plumbing fixtures, nails, and daily visits to Jordan's Lumber, we have been able to remodel and revive a town landmark. I hope to the approval and taste of all our town folk.

Annette, Allie, and I feel truly blessed to have come upon such a wonderful town and to have had the ability to provide a new store. We apologize that it took so long to complete but assure everyone that it was worth waiting for. We'd like to thank Jean and Gerry Morton for believing in us and for all their advice. We'd like to thank the many volunteers who made the store reopening possible. Your efforts have not gone unnoticed.

Tindall's Country Store will stay committed to providing value pricing, a wide array of stock, and timely response to customer suggestions. We have stocked the store basically with everyday needs and plan to add additional items each week. We still need Gifford's ice cream, cough drops, Cascade...we'll get there. We hope to furnish and accessorize the store to compliment our town and impress all that pass through. We hope the store is one you can be proud of.

We will be opening a kitchen to the rear of the building and have designed this area "the Dam Diner." We'll be open for breakfast and lunch. Our menu will carry pizza, hot/cold subs, and many other goodies. We're currently in the process of acquiring bid submittals for the installation of propane and fire suppression for our exhaust hood in the kitchen. Hopefully, this will fall into place quickly.

Have a safe and happy "4th of July"! Hope to see you at the store!

STORE HOURS:

Sunday, 7:00 am – 8:00 pm

Monday – Wednesday 6:00 am – 9:00 pm

Thursday – Saturday 6:00 am – 10:00 pm

*Yours truly,
Annette, Allie, and Jim*
