RSU 74 / School Board

The April board meeting was held at Carrabec Community School. A new member Kathy Bertini of Solon joined the board.

Minutes: The minutes of the March 1 regular board meeting and the budget meetings of March 9, and March 15 were approved. Approval of March 22 budget meeting minutes was tabled.

Student Presentation: Brian Twitchell, CCS fifth grade teacher Tammy Long and two Gareth Scheck fifth grade students, Conner Nelson and Tyler Hanson, presented to the board their work with the Cue Think Problem-Solving Program. They showed the board a word problem asking how many handshakes there would be if five people met and all shook hands. Using Cue Think, the students wrote the answer in words and pictures, and they recorded an audio explanation. Ms Long said she believed Cue Think had helped her students perform better on the MEA Test, and Terry Corson spoke, saying new approaches like Cue Think were very valuable. He also praised the effectiveness of Brian Twitchell in his role as math coach. (And the answer to the handshake question is 10.)

Mr. Twitchell also reported to the board that on Tuesday, the Carrabec High School math team placed seventh out of 21 schools at the statewide math meet.

Superintendent Report: Before Mr. Beverage began, board

chair Bobby Sue Harrington noted she had shared with the board resources from the school board conference which she recently had attended in Denver.

Recently, RSUs 74, 13, and 59 collaborated to complete a grant request. Mr. Beverage reported that the grant request was not approved. He said the joint effort of the three school systems was a good experience, and he hoped it had set the groundwork for future collaboration.

Mr. Beverage has approved Stacey McCluskey's request for a one-year leave of absence.

The superintendent, along with administrators Jean Butler, Jamie Weggler, and Jaime Ela have discussed the future of grade 7-8 unified arts.

The superintendent received a request from a student wishing to graduate as a junior. The student is currently a sophomore. He stated that board policy requires board action on early graduation requests be taken during a student's junior year.

There will be a Policy Committee meeting on April 12 at 6:00 pm. The policy committee will tackle a new procurement policy and hopes to be consistent with federal guidelines.

Mr. Beverage announced he has implemented a freeze on all expenditures until the end of the year. He is asking for only emergency purchase orders.

He received an update from MSMA saying that the legislature's education committee rejected the governor's plan for funding of administration. This could lead to more state subsidy for RSU 74, but at this time, it is impossible to determine if the increased subsidy amount will be particularly meaningful.

In the days to come Mr. Beverage will attend meetings in all RSU 74 towns to discuss the 2017-2018 budget.

He requested that the board become familiar with the Freedom of Information Act.

Appointments and Recent Staff Hiring: Skip Rugh - CCS varsity girls basketball, Lauren Bean - CCS junior varsity girls basketball, Luke Ellis - CHS boys tennis, Nora Ellis - CHS girls tennis, Dustin Zamboni - CCS track co-coach, Heidi Vicneire - CHS girls soccer, PJ Vicneire - CHS boys soccer, Heath Cowan - CHS boys baseball, Marc Collard - CHS boys and girls track, Dave Richardson - CHS junior varsity softball coach. All of the above were approved.

However, the transfer of Lisa Savage from Literacy Coach position to GS SIG coordinator/reading interventionist was tabled.

Admin Reports: The administrators had all Submitted reports to the board. The only additional comments came from Tim Richards who said NHS inductions will be April 12, and the top ten letters are in the envelopes.

Committees: Bobby Sue reported the only committee which has been active recently has been the board's Negotiating Committee. She said that "negotiations are going very well ... going very smoothly." She then called on me (president of the CEA) in the audience for my comments. I said, "I agree."

Adjustments to Agenda: An item was added to the agenda regarding RSU 74 tuition rates.

Citizens: Jack Kaplan spoke about a comment that was made at the last budget meeting. He stated he is proud to be Jewish, and he has a son who is a student in this district who is also Jewish. He said he is angry about the comment and finds it embarrassing that such a comment was made. He has sent an email to the superintendent regarding this matter, and he hopes there will be action taken. He believes that in the past, employees have received consequences for making lesser comments.

He expressed hope the board will address the issue.

Erik Carey spoke and asked why the budget seems to be about to be re-opened after it had been approved by the board at the previous budget meeting. He wanted to know what had changed, as he thought it was made quite clear at the last meeting what the total impact to taxpayers would be. Mr. Beverage said perhaps he did not explain the situation clearly enough. The major source of the increase was due to the inaccurate revenue projection for 2016-2017, and the deficit must be made up. He thinks the picture is now clearer, and that nearly everyone thinks an overall increase of more than \$600,000 is too high.

Executive Session to discuss Superintendent duties and relations with the school board: No action was taken following the executive session.

New Agenda Item: To charge the full tuition rate to all current and future tuition students. At a previous board meeting, there was much discussion and debate about a previous decision to charge Athens students a tuition rate lower than what is charged to students from other towns. The board voted to tuition students from all towns the same rate going forward.

Correct Motions from March 22 Budget Meeting: This was tabled.
Budget Adjustment of \$9,000: This was tabled.

Options for selling the double wide: The double wide will likely be sold, though it is not likely to bring in a great deal of money.

Vote to approve a new English Language Arts Program for k-8: This was tabled.

2017-2018 Calendar: This was approved

Solon Title One Grant: The board granted permission for Solon to apply for a Title One grant.

Adjourn: The meeting ended at 7:26.

Submitted: Dave Ela, President of Carrabec Educational Association

New Portland Water Department

I wanted to make everyone aware that there are going to be a few changes at the water department. Andrea and Marilyn are no longer the treasurers. I have now taken their place. With that being said, when you are sending in your payments please use the post office box. Bear with me as I am learning and getting used to being the treasurer now. I have to admit, having Marilyn and Andrea helping me learn the ropes has made this transition easier. The water department is looking for more trustees, so if you are interested there is a water department meeting the second Wednesday of every month at 7:00 pm and is held in the Community Room / Fire Station at 911 River Road. If you have any questions the number at the pump house is (207) 628-4810 and my cell phone number is (207) 491-6366. Regards,
