Town Manager

The town office will be closed on Wednesday, January 1 in observance of New Year’s Day.

The town office will be closed on Monday, January 20 in observance of Martin Luther King, Jr. Day.

The Board of Selectmen will start their 2020 budget discussions at the January 7 meeting. On January 20 there will be a Public Hearing before the regularly scheduled Selectmen’s Meeting for discussions on amendments to the current New Portland Fire Department Ordinance.

The 2020 Budget Committee Meeting will be held on Saturday, January 25 at 9:00 am in the community room.

Now the winter season is here, I would like to remind everyone that all complaints regarding road conditions should be called into the town office, where those complaints are logged and the Board of Selectmen and snow plow contractor are notified. We also want to remind you that there is a state law (29A M.R.S.A. 2396) which
prohibits pushing of snow into the public way. This includes pushing snow across a public street. PLEASE TAKE NOTE: This is a huge safety issue, and we will report this to the proper authorities.

PUBLIC PLEASE TAKE NOTE: Access to the Municipal Sand/Salt Shed is restricted to employees and contractors authorized to be there. We are prohibiting the general public from entering the Sand/Salt Shed. Winter sand is available for New Portland residents’ personal use ONLY. Each residential dwelling is eligible for two five gallon buckets of sand per storm. We are currently in the process of designating a safe location for a sand pile to be stationed so that the New Portland residents can safely access sand for storm purposes. Proper signage will be in place once we have finalized all the details. The Town of New Portland prohibits the taking of pure rock salt without approval from the Town Manager. The use of municipal sand for the sanding of private roads is prohibited. (The Town of New Portland reserves the right to prosecute offenders.)

Church News

A New Year is upon us already! Happy 2020!

For the season of Advent Journey of Faith studied a book by Adam Hamilton, "Faithful, Christmas Through the Eyes of Joseph". The book was an interesting look at the Christmas story from the perspective of someone we don't usually consider so much in the story of the birth of Christ. Due to weather we were not able to finish the book before Christmas. The final chapter will be discussed on Tuesday, January 7 at 4:00 pm. New topics of discovery will begin January 14. Discussions will continue be held at the Fairbanks Church in Farmington on Tuesdays at 4:00 pm. All are welcome to join the conversation.

The annual New Portland Church Christmas sale in November went very well. We were pleased to host so many happy shoppers at the West Village Church. This annual tradition is safe for another year and will continue after that as long as we can find people willing to head to New Jersey in November to pick up all the donations. Interested in a road trip?

As always, all are welcome at the North New Portland Church on Sunday morning at 10:30 am for coffee hour followed by 11:00 am worship services every Sunday. See you there.

Wishing everyone a happy, healthy and peaceful year. Respectfully. . .
