Town Manager

To the Residents of New Portland:

We are all well aware of the public health situation in Maine and across the U.S. regarding the Coronavirus outbreak. It is a major concern, and it is evolving rapidly. Like every organization and business in Maine, we have been monitoring the COVID-19 virus, and its potential impact in our community. After a lengthy discussion with the Board of Selectmen at their March 16 meeting, we will be making some adjustments
in the Town Office and services that are provided while protecting the health of our residents and employees. These adjustments will be evaluated on an ongoing basis and changes will be made as information and circumstances change. We sincerely apologize for the inconveniences that these steps will cause but feel it necessary to protect everyone and not have to close the office entirely. The following measures have been implemented as of Tuesday, March 17, 2020.

Effective March 17, 2020, through April 7, 2020, the New Portland Board of Selectmen together with the Town Manager will be taking measures to protect our staff and attempt to stay somewhat operational. The Town of New Portland will close all buildings to public entry. The Town Office staff will be working and providing services via phone, email and through USPS. You will not be allowed in the building. If you are able to call or email ahead before coming to the Town Office to conduct your business, the staff will do their best to accommodate you. The office number is 207-628-4441, emails are nwptInd@tds.net or newportlandtownmanager@gmail.com, newportlandtownclerk@gmail.com. We will be conducting your services by “curbside”. When registering your vehicle, please call us when you arrive, we will come get your paperwork to process the registration. You may also email your proof of insurance and registration to us and let us know when you might be arriving to try and save time. We are asking for your cooperation and patience during this pandemic. The Board of Selectmen is supportive in this decision. We are trying to avoid exposure and the possibility of closing our office completely. We will be making necessary accommodations on a case by case basis. We do have a drop box by the front door if you are only making a tax payment. For General Assistance applications please call the office and we will make arrangements to get the application to you and get it processed.

**ALL** public events and/or gatherings in the Community Room are being postponed until further notice.

We, as a responsible group of Town Officials, have made these decisions with the recommendations provided by the CDC; we will re-evaluate these decisions in approximately three weeks. We sincerely apologize for any inconvenience, but we also want to assure you are all safe as well as our staff members.

I stress for everyone to please implement “social distancing” policies and practices as recommended by the U.S. CDC. Remember to do what you can to help your family, friends and neighbors, where we can. These are difficult times and we are erring on the side of caution in order to do our best to slow the spread of the virus, but we will persevere. If you have any questions at all please feel free to contact me at the office; 628-4441 or on my cell; 491-8007. Stay safe.

Church News

The Western Mountains Baptist Church plans to celebrate Easter, April 12. Traditionally, we begin the day with a Sonrise Service at 6:00 am. We gather outside, around the cross, for a few hymns and a short Easter message by Pastor Tom. Immediately afterwards enjoy coffee, tea and hot chocolate inside the warm church while the men cook a big breakfast. If you have not had one of these breakfasts, make this your year! There is no charge, and these men practice making breakfasts all year long during their monthly men’s breakfasts. There will also be a 10:00 am Easter service. Make a plan to join us for all or part of the morning. It’s a great way to remember and celebrate the resurrection of Jesus Christ.
April 18 at 10:00 am, there will be a ladies’ spring brunch. Bring a dish to share if you would like or just show up; either way, all ladies are welcome. Dot Lambert from Kingfield will be sharing her experience in “God’s Keeping Power”. Invite a friend and join us for food, fellowship and fun.

WMBC is promoting the Family Life Marriage Conference in Portland, Weekend To Remember, April 24-26. There are several area couples attending. To learn more that “great marriages just don’t happen” go to the Family Life website: https://www.familylife.com/. Springtime. In keeping with health recommendations from the CDC to limit public gatherings and given that our congregation and our town has a high risk population, we have made the difficult decision to suspend services at the New Portland Community church until further notice. This decision, sadly, included the Breakfast Club community breakfast that was planned for March 21 and 22. This will, absolutely, be rescheduled in the future when it is safe to do so. It is/was hoped that we would be able to hold Palm Sunday and Easter Services in April, but this is looking less and less likely. We will get posters up, and a notification on the town office talking sign, announcing our return to services.

In the meantime, please stay safe, and stay connected, even when you cannot meet in person. Call your neighbors, check in via email with your friends, catch up on your letter writing... remember when that used to be a ‘thing’? It was a good ‘thing’.

Reverend Rothea Kornelius sent an email this week with some of her thoughts. It seemed very pertinent to the time, and I thought I would share it with her permission:

I am looking at a message to share in some form on Sunday and was sitting with the lectionary. How fitting, in some way that the Psalm reading this week is Psalm 23. It is one of those Psalms that most people can recite from memory, using the King James version. We use it at funerals or occasions of great distress and disaster to remind us of God’s nearness, his care for us and his presence all around us.

This seems like the perfect time to dwell on it again...

Psalm 23

The LORD is my shepherd; I shall not want.
2 He maketh me to lie down in green pastures: he leadeth me beside the still waters.
3 He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.
4 Yea, though I walk through the valley of the shadow of death, I will fear no evil:
   for thou art with me; thy rod and thy staff they comfort me.
5 Thou preparst a table before me in the presence of mine enemies:
   thou anointest my head with oil; my cup runneth over.
6 Surely goodness and mercy shall follow me all the days of my life:
   and I will dwell in the house of the LORD for ever.

(King James Version)

A few take-aways from Psalm 23...

In the original Hebrew of Psalm 23, there are exactly 26 words before “Thou art with me”, and exactly 26 words after “Thou art with me”. It might have been by chance, but the idea in my head is that the poet was trying to convey the idea, very boldly, that God is with us in the very center of our lives, amidst all that aspires, and the focal point of the universe. It means, that even when the world is crazy, that we are not alone down here.

The whole message here, and the Good News is that God is with us – “Emmanuel”. God might not necessarily shelter us from difficulty, or trouble or the corona virus, and God does not magically manipulate things to suit us, but “WITH” is unassailable, unchangeable and really the only thing that matters.

As things may feel so out of control right now, as we are fearful, as we feel isolated and lonely, as we wonder where God is and why, I pray that you will find peace in this – God is WITH us, right in the middle of our lives and this mess. He is present and leads us, comforts us and feeds us; most of all, God dwells with us and we can dwell with God, not just one day, but right now.

This is the comfort I find right here...

Rev. Rothea Kornelius
