Town Announcement

The Town of New Portland will be holding its Annual Town Meeting on Saturday, March 6 at 9:00 am. Due to the Maine CDC guidelines, the meeting this year will be slightly different than what we are used to seeing. Due to the amount of space which we have to utilize, we will have to place some attendees in the community room and some attendees in the bays of the fire station. Masks will be MANDATORY. And we must practice social distancing! We will be televising the meeting from the community room into the bay area allowing for those who are in that area to hear and see what is taking place, as well as communicating any questions, comments, and participating in the meeting as a resident of New Portland. Thank you for working with us to be compliant and in keeping others safe. We hope to see you there.

If you should have any questions or concerns, please contact me during office hours at 628-4441. Respectfully ...

Stacie Rundlett, Town Manager, Town of New Portland

A Note of Sadness

The New Portland Water District is saddened by the passing of Trustee Gary Cobb. Gary was a valuable part as a founding member of the New Portland Water District before it actually becoming the Water District. We thank him for his committed service to this community. He will be greatly missed. Our thoughts are with his wife Betty and the entire family.

Sincerely, Don Edes and Lisa Beane

- An inability to travel to the polls because the voter is a resident of a coastal island ward or precinct;
- An incapacity of illness that has resulted in the voter being unable to leave home or a treatment facility.

This special circumstances application must be signed **by the voter**

Minutes for the Dec. 21, 2020 Selectmen's Meeting

Roster: Selectmen: Andrea Reichert, Raymond Poulin, Wayne Rundlett; Town Manager: Stacie Rundlett, Gary Agren, Brian Rundlett, Garrett Oswald

1. Raymond called the meeting to order at 6:33 pm.
2. The Board members reviewed the minutes from the previous meeting. Wayne motioned to accept them as written, Raymond seconded and all were in favor.
3. Old Business: There was a brief discussion regarding the Sand/Salt/Shed overhead door, which was still is not completed.
4. Department Heads
 - a. Gary Agren discussed with the Board members that he would agree to another three year term as Road Commissioner. The discussion continued with talk of increase in trucking prices, and Gary had no major projects for the year 2021 at this time.
5. Items by the Public: Garrett Oswald spoke with the board regarding questions from previous meetings that were not answered. There was a lengthy discussion regarding this along with his claims that minutes to a previous meeting never had been printed in the monthly newsletter with a correction. Stacie assured him that said meeting minutes from September 1, was properly printed in the monthly newsletter and informed him he could find a copy of that newsletter on the town's website, newportlandmaine.org. Garrett wanted the board to look into finding out what it consisted of to de-organize the town of New Portland. Garrett felt that MMA might have information or a worksheet of some sort that we could use to show how the town would be affected by such a change. Gary Agren briefly added he thought that this matter had been researched before, and the town would be required to pay off any and all debt prior to even trying to de-organize. Garrett also questioned to the Board how they intended on proceeding with the annual town meeting. There was a brief discussion regarding the matter and more research needs to be done before a final decision can be made on how to proceed with the 2021 Annual Town Meeting and still follow the Maine CDC guidelines. Stacie stated to the board that she could email MMA to see what they would be able to provide for us regarding de-organizing and Garrett then stated that it might not be of interest to them to assist us in this manner. Andrea who arrived late to the meeting stated that this is a very busy time of year for Stacie, as Town Manager, Town Clerk, and being the only one working in the office with year end duties, preparing the 2021 budget, town report and prepping for the 2021 annual town meeting. She stated that because of this she would only allow Stacie to send one email to see if we could meet Garrett's request in getting some information regarding this matter of de-organizing. Stacie would report to the board on her findings.
6. Items by the Town Manager:
 - a. The Board members reviewed and signed payroll, A/P warrants and the Treasurer's report for November.
7. Items by the Board of Selectmen:
 - a. The Board members reviewed and signed the two purchase agreements for properties that were foreclosed upon by the town for non-payment of 2018 taxes. Stacie would send copies to the two parties involved for their signatures and then have the documents recorded at the Somerset County Registry of Deeds as stated by Maine State Law.
 - b. The Board members decided to accept any and all bids for the other land properties foreclosed on until February 15, 2021. Stacie would make sure that this was published in the

February New Portlander as well as the Daily Bulldog, and maybe the Kingfield Irregular.

- c. The Board members reviewed the proposed 2021 Budget Requests. Andrea felt that the information which the board received was a good start to their annual process. Stacie would have updated data for the boards next meeting.

These minutes were approved by the Board of Selectmen at the January 5, 2021 meeting. Smr

5. Items by the Public: Garrett Oswald discussed with the board his disappointment on some things which had taken place at the last meeting. He also discussed with the board his ideas to pay or compensate residents to participate on town boards and committees to give an incentive to be more involved. Andrea apologized for not being present at the last meeting when there seemed to be a disagreement. She also shared with Garrett that giving residents an incentive to participate on a board or committee was not a new idea, and that whether it is a check for participating or some kind of discount on taxes (as he suggested), it still was tax payer dollars.

RSU 74 / School Board

The January board meeting was held at Carrabec Community School. The Sentinel summary of the meeting can be found on their web page under: Carrabec school board to survey teachers about remote learning - CentralMaine.com

Some board members attended in person. Other board members attended remotely through Google Classroom (and so did I).

The meeting began with the pledge.

Adjustments to the Agenda: The agenda was updated to include two new hires.

Minutes: The minutes of the December board meeting were approved.

Presentation: There was no presentation.

Superintendent Report: Mr. Tracy wished the board members a happy new year and expressed hope that better days are ahead in 2021. He shared the expenditure report with the board. More than a dozen students have left remote learning and returned to in-person instruction. In previous years the budget meetings have been held starting in March. This year the time frame will be roughly a month later. This is designed to line up with the June State Referendum Vote. Mr. Tracy told the board that teachers would be surveyed to get their thoughts regarding how to proceed in the 2020-2021 school year. Other districts have struggled with high absentee rates of staff due to the pandemic. Currently, SAD 74 does not have the same challenges. However, there continues to be a shortage of substitute bus drivers. RSU 74 continues to look for learning facilitators. It is expected that once the teacher surveys have been reviewed, there will be a better sense of what the learning facilitator job will look like. The Policy Committee will be meeting this month to determine how to adjust to the new Earned Paid Leave Law. January 27 and March 10 are listed as Early Release Days on the school calendar. They will be switched to full student days. Friday, February 12 will be an Early Release Day with all students

dismissed at 12:30 pm. Mr. Tracy and the admin team met with representatives from Somerset Public Health and the Somerset County Sheriff's Office. They discussed some of the effects of the pandemic, such as substance abuse, domestic abuse and suicide rates. These topics will be discussed by the regional superintendent group. As of Wednesday night, there were no current cases of staff members or students with COVID. One CHS student was listed as a close contact. Three students were self-quarantining due to travel.

Nominations: Wendy Witham - 3/4 k-8 Phys Ed; Billie Lawrence - Reading Interventionist/SIG at Garret Schenck.

Admin Reports: Jean Butler said that ten students are in the after-school program at GS, and there are eight in Solon. NWEA testing has begun at Jean's two schools. 98 boxes of food were delivered to families at the most recent food drive. Brian Twitchell, Keith Mahoney, and Grace Cram had nothing to add to the reports which they had previously submitted to the board. Carrabec High School students are filling out college applications, according to Tim Richards. Gear Up funds will pay for tutors for CHS students who are struggling financially. Tim also gave a CHS sports update. There are 21 boys playing basketball, and 12 girls. Due to the low numbers, there will be no girls' jv team. Scott Hall and his staff have been adding wireless access points at CHS and CCS. There have also been bandwidth upgrades. Lorie Agren thanked her staff for the work they have been doing, and she applauded their teamwork. She noted the need for substitute bus drivers.

Public Participation: No citizens at the meeting spoke, and no one watching remotely dialed the number to speak to Mr. Tracy.

Support Staff Contract: In December, members of the board's negotiating team and the ESP negotiating team met. Both groups agreed that this might not be the best time to fully re-open the contract. The two sides agreed to a Memorandum of Understanding in which there will be a one-year extension to the contract. For '21-'22, both wages and insurance will increase by approximately 2%. Language will not be addressed. The board approved the one-year extension.

Discussion of District's Operational and Academic Status: The discussion on this item wasn't as long as one might have expected. Since there had been some discussion already, and with a school board workshop scheduled for Jan 20, board members apparently felt that a long discussion was not necessary at this time. (It seems reasonable to speculate that once the teacher surveys have been reviewed, then the board members will have more to say.) Mr. Tracy said that he continues to feel it is important to have "more students, more of the time". However, he said that it was certainly possible that Phase Two would remain in effect for the remainder of the school year. Some students who are struggling academically are now attending school 3-4 days a week, and this has had positive results. Even if we never increase from a Phase Two scenario to a Phase Three, Mr. Tracy expressed an interest in bringing in more kids, "as we can and as needed." Anticipating the biggest challenges that the district will face going forward, engaging remote learners and the shortage of drivers were mentioned.

Adjournment: The meeting ended at 7:11 pm.

Next Board of Directors meeting will be held at Solon Elementary School on February 3.

New Portland Water District

On behalf of the New Portland Water District we would like to express our appreciation and gratitude to Marilyn Gorman for her many years as Trustee. During the March meeting Marilyn retired from her position on the Board. She takes with her our sincere thanks for the hours she has given to the community. She will be greatly missed.

The remaining members have served ten years or more themselves and are seeking volunteers to bring new ideas to the table. The only requirements are that you are a resident of New Portland, live within the district, and can attend monthly meetings. It is imperative to get new board members to insure we can continue as a public utility and allow the New Portland Water District to continue to provide clean, safe drinking water to its customers.

All interested persons please contact one of the current trustees or attend any monthly meeting. Meeting dates are posted at both the Post Office and Town Office.
