TOWN OFFICE NOTICE

THE OFFICE WILL BE

CLOSED

MONDAY, OCTOBER 12

in observance of
INDIGENOUS PEOPLES' DAY
Submitted: Stacie Rundlett, Town Manager

Selectman

Fall is here with its beautiful colors. The problem, it brings winter upon us soon. Get ready and the town is getting ready too. Sand and salt has been put up for the plowing needs.

The new addition to the town office will be completed this month. We can't wait to organize the old documents and required paper in a safe space. Also the main office area can get back some space, that is now used for storage.

Summer road work is quickly coming to an end. As always give road crews room to work. Be careful out there driving, darker much earlier now. Children are still out and about on the streets. Enjoy Halloween festivities but use caution.

It is almost budget time for the town. We start soon preparing for next year's town meeting. If you have a budget request, please submit it to Stacie by next month.

Remember all selectmen meetings are open to the public. Join us some evening, understand how your town government works. If you have a high school student, it may help them in a class. Thank you for reading our notes.

New Portland Churches

New Portland Churches

New Portland Community Church News: The days are getting shorter and the nights much cooler. It's a relief from the hot and humid summer. With the cooler temperatures we have moved into the meeting house on some Sundays as the sanctuary space is unheated and can get a bit cool on chilly mornings. The Joyce Pease Meeting hall, attached to the church, was built by work groups in the 1980's. It is warm and comfortable, and the round tables conducive to lively conversation.

The third week of September brings the fun of the New Portland Fair. This year, for the first time in many, many years, the New Portland Community Church had a booth at the fair. We were thoughtfully placed in very close proximity to BBQ, Italian sausage, and fried dough vendors. After a morning enjoying the aromas of classic fair food (fair fare?), lunch was especially delicious! The church had a free raffle plus lots of cookies and other goodies on offer. There was even a magic show that delighted the folks on Saturday morning! We really enjoyed meeting with our friends and neighbors on what turned out to be a (mostly) lovely weekend. Thank you to all of you who stopped by to say 'hi', and a special thank you to those who manned the booth; who baked and sewed and knitted and set up and took down and covered a myriad of other tasks involved with our presence at the fair.

Although we have no official minister at the New Portland Church, we do have a rotation of excellent ministers who are on-call throughout the month to do hospital visits and cover any spiritual emergencies that might arise in our community. If you are in need of help (spiritual or otherwise) please call Nan at 628-6061. As Clerk of Session for the church, she can connect you with the minister or other church member who may be able to assist you.

As always, we would love to see you at coffee hour at 10:30 am with worship following at 11:00 am unless otherwise noted in the schedule. Come enjoy a cup of coffee and a pastry or cookie. If you have any questions about whether a worship service or any other scheduled event will be canceled please call Nan at 628-6061.

The list of ministers for the month of October: October 4 - Pastor MaryEllen Royce; October 11- Pastor MaryEllen Royce; October 18- Pastor Debby Bujnocki; October 25- Communion Sunday, Rev Stan Wheeler.

Respectfully ...

Kingfield Seniors Group

I hope everyone is enjoying the change of season! The leaves are turning and the Lions Club has had their annual fair. I hope all were able to come out and celebrate our lovely little town.

On another note, we also had a wonderful time at our senior meeting on September 14. Charlie Bruce played his guitar and sang for us, which is always fun. Our next scheduled meeting is at noon on October 5. Elizabeth Caruso who is the Broadband Director of Somerset Economic Development will be here to share "a lot" of information with us. (Especially for all our seniors!). All are welcome to attend. We will be meeting at noon on October 5 at the Western Mountains Baptist Church which is located on 27N between New Portland and Kingfield.

If you have any questions, please do not hesitate to contact me.

Selectmen *(continued)*

6. Items by the Board of Selectmen: a.) Bobbie-Sue Harrington was in attendance representing the Lion's Club who submitted an application for a liquor license to have a beer tent at the New Portland Fair. She also inquired if the Lion's Club could get a Noise Ordinance waiver for the September 17, 18 and 19 of September which are three of the nights the New Portland Fair will have events that may go past 10:00 pm. David motioned to approve the Liquor License, Raymond seconded and all were in favor. They also determined that in the future Stacie could authorize these licenses. David motioned to grant a waiver for September 17,18, and 19 for the Lion's Club to have events going no later than 12:00 am.

The meeting adjourned at 7:12 pm.

These minutes were approved by the Board at the September 1 meeting. smr

Selectmen's Meeting Minutes for September 1, 2026

Roster/ Selectmen: Raymond Poulin, Janet White, David Veilleux, Town Manager: Stacie Rundlett, Lori Alyea, Kip Poulin, Peter Ford, Tom Dodd

1. David called the meeting to order at 6:30 pm .

2. The Board reviewed the minutes from the previous meeting. Raymond motioned to accept the minutes as written, David seconded and all were in favor.

3. Department Heads: a.) Kip didn't have anything to update. b.) Raymond will be renting a skid steer/ bush hog to do brush cutting, discussions on Gilman Pond Road work. There was conversation about the town's Hammond Lumber account. The Board asked Stacie to contact Zach Cary regarding mowing the old dump site.

4. Items by the Public: a.) Peter Ford discussed with the Board the decals for the back of the new town signs still haven't been added. David would reach out to sign works to see what the status was for those.
b.) Tom Dodd talked to the Board about his concerns on the ditching work that has been done on the Chick Road. Raymond would go out to look at those locations and address any issues.

5. Items by the Town Manager: a.) The Board reviewed and signed the payroll and A/P warrants. b.) The Board reviewed and signed two treasurer's reports. c.) There was a brief discussion regarding the draft audit documents.

6. Items by the Board of Selectmen: a.) There were discussions on the Gambling License for the New Portland Lion's Club. Janet motioned to authorize the Town Manager to sign off on this document; Raymond seconded and all were in favor. b.) There were discussions on three trees to be removed at 73 Bog Road. Raymond motioned to allow these three trees to be removed, David seconded and all were in favor. c.) There were discussions regarding Claire Hubbard who requested a waiver for the Project Freewill event. There were a number of complaints last year and some even the year before. Raymond motioned to not grant the waiver, Janet seconded and all were in favor. The Board members decision was based on too many issues in the past and not being respectful with the neighbors. d.) The Board reviewed and discussed an abatement request for Luke Sleeper in the amount of $511.56. Raymond motioned to grant an abatement to Luke Sleeper in the amount of $511.56, David seconded and all were in favor.

Meeting adjourned

These minutes were approved by the Board at the September 15 meeting. Smr

"I'm so glad I live in a world where there are Octobers."

L. M. MONTGOMERY

Superintendent of Schools

Superintendent RSU 74

September 19, 2026

Dear Residents of New Portland:

We are now almost a month into our new school year. The impact of new enrollments on budget lines will present us with challenges to keep at least two cost centers from being overdrawn. Student needs have required us to currently add three education technician positions in Special Education. And as you are aware, fuel costs are on the rise with diesel costs surpassing what research predicted prices would be. Lastly, the Board agreed with administration to remove our 14 passenger vans off the road as these vans do not meet safety standards set by the National Highway Traffic Safety Administration (NHTSA). This has required administration to find the means to purchase a van that does meet the standards set by the NHTSA. Administration will be asking the Board of Directors to formally vote on the purchase of a mini van as well as the additional education technicians at the October Board meeting.

Families should have received reports from your student's schools on their child's State assessments from the 2025-2026 school year. Overall, our student's growth rate continues to climb as well as their achievement scores. The work done by the staff members in our buildings is not easy as it takes time to look at past score results to determine the needs of the students and time to develop supports/lessons that will bring about the increases we are seeing. As I shared last spring in our final staff day with the teachers, the scores are improving, but the impact on the students is evident as shown by their excitement in sharing results with a sense of pride! We are very proud of their accomplishments and thank you for your continued support of your children and their teachers.

The Buildings, Grounds, and Transportation Subcommittee met on Wednesday, September 16. The purpose of this meeting, as has been for the past three years, is to assess the progress made on the tem year improvement plans for the buildings and the transportation fleet. The age of the bus fleet, while getting better, needs to continue to be addressed. The sub-committee has provided initial support for seeking the purchase of two new buses in the 2027-2028 school year as well as pay off the van purchase pending Board approval in October 2026. Due to the purchase of a bus in the 2026-2027 budget, we did not do any major building renovations in this budget. In order to address the limited availability of halogen light fixtures and replacement parts due to legislation requiring these fixtures be phased out, the Board did vote last year to replace all light fixtures in Solon Elementary, Carrabec High School and the Carrabec Community School. The savings from decreased electricity consumption and from rebates from Efficiency Maine will pay for this project. Other projects completed were mainly cosmetic upgrades with new ceiling tiles in both Anson and Solon and many classrooms and hallways receiving a new coat of paint in all four buildings. .

The Restructure Committee also met on September 16. Board members on this committee were asked to weigh in on space to house the two year-old students in our district who are currently being serviced by Child Developmental Services. The 2027-2028 school year was set as the deadline for school districts to address this need by the State. Currently, there is not a room available in the Pre-K - 5 buildings to house this. This committee will also be asked to explore the addition, maybe in combination with the three year old needs, a third Pre-K classroom at CCS. Capacity of Pre-K is determined by the square footage of the room being used. Currently, the capacity of the two rooms used is 30 and our average enrollment K-12 is closer to 40. While we have room in Solon for two more students, we had students on a wait list this spring because of their desire to attend in Anson for proximity reasons. Some of these students have since requested and received Superintendent Agreements to attend neighboring Pre-K programs.

The Policy Committee will meet on the 23rd of this month. We will continue our efforts to review policies that have not been reviewed/modified since 2018 or earlier.

The next meeting of the Board is scheduled for October 7, 2026 at the Embden Community Center. Respectfully…

School Board

The September school board meeting was held at the New Portland Fire Station.

The meeting began with the Pledge of Allegiance.

Adjustments to the Agenda: Three nominations were added to the agenda.

Minutes: The minutes of the August 5 board meeting were approved.

Presentation: There was no presentation.

Superintendent Report: The RSU 74 Emergency Plan documents are being updated. Mr. Campbell asked board members to stop by the superintendent's office to review the changes prior to the October 7 board meeting.

The superintendent gave a budget update and reported that the special ed budget is being "tested". Due to an influx of students in late August, early September, more ed techs are needed. He asked for, and received, the board's blessing to advertise for two new ed tech positions. He stated that the number could increase from two new positions to five in the near future. He expressed concern that the special ed budget could be "in the red" by June.

In late spring/early summer, RSU 74 purchased an activity van. Due to transportation needs, it is necessary to buy another van as soon as possible. Mr. Campbell asked the board to allow him to forego the normal competitive bid process in order to acquire a new van very soon. The board agreed.

Appointments: Cally Chick: lead teacher, Solon; Courtney Peabody: girls' soccer, CCS;
Geoff Case: Title One Coordinator/K-5 career fair stipend; Amy McDaniel: STEAM administrator/Literacy Evening stipend; Jamie Partridge: BCBA coach

Resignations: Kaiya Jefferies: special ed/ed tech two, CCS; Lacey Frost: social worker, CCS – CHS (The superintendent praised the work that they had done for RSU 74.)

Nominations: Mudiwa Mupotsa-Giroux - special ed/ed tech 3, GS; Robert Rhoton – maintenance; Veronica Carrigan: ed tech 1, Solon; Ron Stanley: bus driver

Admin Reports: Scott Hall didn't add to his report, other than to say that the start of the school year has been busy but successful. Amy McDaniel echoed Scott's remarks. Tammy Wyman noted the room changes at GS which moved the special ed area to the basement, and said things were working well. She was asked a question about the recent special ed audit, in which RSU 74 received the second highest score of two. To receive a "one" - which is rare, all of the paperwork must be perfect. Because there was one error on an IEP document, the score was two. Geoff Case said that the start school had been a success. He received a question regarding what the CCS "Attendance Champion" does. He praised the work of Vicki Gould, who has that title, and noted that she has been a major help in persuading chronically absent students to come to school more frequently. Bruce Dostie described the start of the school year as being a success, said there was "great energy" in the building, and said that the change in cell phone policy has gone more smoothly than anticipated. Rachel Merrill added a bit to her written report, and updated the board on the numbers for CCS boys' and girls' soccer. There have been discussions with Madison about potentially allowing Madison boys to join the CCS soccer team. As of Wednesday evening, no final decision had been made. Chris Roux chose not to add to his written report, but did field questions about the flashing speeding signs and crosswalks. Wendell Dunlap did not add to his report, but was asked a question about the length of time students spent riding the bus. There was no student report.

Committees: The superintendent evaluation committee met on August 5. Board members received new schedules for subcommittee meetings.

Public Comment: No one spoke.

The meeting adjourned at 6:39 pm.

Reminder: The next board meeting will be held on October 7 at the Embden Community Center.

Submitted: Dave Ela, President of Carrabec Teachers Association
